3. Promotion. The Financial Management School and Midlands Technical College will undertake to promote this Program as follows:
 - a. Financial Management School will list Midlands Technical College on the Army University website for Continued Education Degree Programs (CEDP) to inform Soldiers of the agreement with Midlands Technical College for the awarding of course credit. Financial Management School will refer interested students to the Army University's webpage covering this agreement.

FOR OFFICIAL USE ONLY

- b. Midlands Technical College will establish a webpage for interested students showing the degree options and contact information for counselors/liaisons.
 - c. Midlands Technical College grants to the Financial Management School a royalty-free, nonexclusive, non-transferable, non-sub licensable revocable license during the Term to use its trademarks, name, logos, and other identifying symbols (collectively, the "Marks") for the limited purpose of fulfilling its promotional obligations as set forth herein. Midlands Technical College will retain all goodwill in its Marks and all other rights thereto. Upon termination of this Agreement, the Financial Management School will promptly cease and desist its use of Midlands Technical College's Marks.
4. Tuition. Midlands Technical College will charge a tuition rate of \$178 per semester credit hour for both online courses and face-to-face courses. Tuition will increase to \$188 per semester hour commencing Fall 2019. Tuition and fees are subject to change with advanced notification to the Education Services Officer.
5. Student Requirements. The student must have successfully completed the course outlined in Annex A and present their Joint Service Transcript (JST) course completion documentation in order to receive credit for the courses outlined in this Academic Articulation Agreement. Additionally, the student must meet all of the admission requirements for the desired program at Midlands Technical College; said requirements shall at all times be controlled by and/or modified by the college. The students shall be subject to financial obligations, fees, and financial assistance as determined by the college.
6. Course Credit. The MOS Academic Credit Program is a volunteer program, which is designed to assist the Soldiers with obtaining a degree from Midlands Technical College in the Financial Management MOS in the Technical Management field of study. The degree will require the students to complete their general education courses, elective courses, and core courses. The specific courses/credits for the specific degrees, the evaluated course and MOS work are outlined in Annex A.
7. Effective Date and Termination: This Academic Articulation Agreement will be effective from the date of signing and will have a duration of three years or when significant course changes are not agreeable to both parties. Upon expiration of the Academic Articulation Agreement the parties may mutually agree in writing to renew. Additions and changes to this Academic Articulation Agreement may be made at any time with the written express consent of both Midlands Technical College and the Financial Management School. Either party may terminate this Academic Articulation Agreement upon 60 days prior written notice to the other party made to the institutional contact address, via U.S. Certified mail. Termination must be in writing and signed by the approving officials or their designated personnel. Termination of this Academic Articulation Agreement will
